KOREANS TAKE CHAMPIONSHIP FROM KALIHIS

Volley Ball Titles Go to Korean
and N. A. C. Teams; Kalihi
and Kakaako Second

Junior League.		Won.	Lost.
Koreans	7	1	
Kalihi	6	2	
Kakaako	3	3	
Employed Boys	3	3	

Midget League.		Won.	Lost.
N. A. C.	6	1	
Kakaako	5	2	
Crescent	2	4	
Kalihi	0	6	

One week ago all the scheduled volleyball games in both the Junior and Midget leagues were played, but inasmuch as the N. A. C. last week tied the Kakaakos in the Midget League and the Koreans by defeating Kalihi tied them for first place in the Junior League, the leading teams were compelled to play off the tie.

The Kakaakos and the N. A. C. played their championship game Saturday at 12 p. m., and there was a large number present. The Kakaakos were weakened by the loss of three of their strongest players, the said three being Ah Chong, George Kane and Boy Hilo. With three substitutes the Kakaakos made a very good showing, but were outclassed, the N. A. C. taking three straight sets—21 to 16, 21 to 19 and 21 to 16. The best playing for Kakaako was done by Ah Fo, Ah Choy, Willie and Mahoy. For the N. A. C., Ah Wun, Tin Hoon and Ah Kee did the best and most consistent playing. Kakaako—Forwards, Mahoy, Ah Fo, Willie; center, Kamalama; guards, Saichi Oba, Benny Ho and Ah Choy. N. A. C.—Forwards, Ah Wun, Ah Kee and Tin Yau; center, Ah Pung; guards, Ah Hung, Tin Hoon and Wai Sin.

Junior League Game.
The championship game in the Junior League between the Kalihi's and the Koreans was played in the games hall of the Y. M. C. A., and both teams had their best players in the lineup. Williams and Charles Akana were the referees and their decisions considering the closeness of the plays were well received. The Koreans won the toss and served first with Kim serving and his excellent work netted the Koreans nine points before he was retired. The Kalihis then began to cut down the Koreans' lead and came within three of them, when the Koreans once more spurted and from then on were never headed, 21 to 8 being the score at the end of the first set.

In the second set the Kalihis started out to even things up and ran up five points before the Koreans scored. This was the period that the Kalihis showed to the best advantage, their defense and their driving attacks being perfect. With lead of five points against them the Koreans held the Kalihis safe for four innings and then took the aggressive with the result that at the end of the 19th inning the score stood 12 all. The Kalihis once more at this period of the game took the lead and in the 26th inning were leading 16 to 13. With a victory in sight the Kalihis' defense momentarily crumbled and the Koreans, taking advantage once more by fast playing, tied the score in the 33d inning and from then on taking the lead and holding it until the finish of the second set, which they won 21 to 18.

The third and last set was won by the Koreans, 21 to 10, the Kalihis losing the serve and the Koreans began to score, taking the lead and from then on to the finish were never headed.

Kalihi—Forwards, Bolster, Akana and Marino; center, Kauka; guards, Sas, Lincoln and Junior.
Korean—Forwards, Y. O. Kang, M. S. Chung and Y. O. Kim; center, S. H. Cha; guards, K. C. Park, S. M. Chung and H. S. Kim.

Both of these games were for the island championship and involved the same as the very best clubs had entered teams, including Palama, which withdrew their teams after their Juniors had lost three straight and their Midgets had lost three straight.

On the 10th and 17th of June the Boys' Clubs will have their annual track meet, after which there will be no more inter-club competition until next fall. The period between now and then will be used in building up the membership of the different clubs with club games and different attractions among the members only thus bringing a much larger number of boys into actual touch with athletic work than when just a team is representing the club in a league.

In preparation for the annual feast and bazaar of the Brotherhood of the Holy Ghost, the grounds of the Catholic cathedral in Fort street are being put into splendid condition under the direction of Father Rodriguez. The feast will be held on June 10 and 11.

Police responding to a riot call drove back strikers who tried to storm the tractor plant of the International Harvester Company at Chicago.

HARD FIGHTS IN FIELD ARTILLERY DIAMOND GAMES

Battery Teams Making Some
Great Scraps, Keeping
Interest High

FIELD ARTILLERY LEAGUE.		Won.	Lost.	Pct.
Battery C	10	2	8	.555
Battery B	8	3	5	.422
Battery A	7	3	4	.389
Battery E	6	3	3	.500
Battery D	2	9	1	.182
Battery F	1	10	0	.091

Battery B 5, Battery F 4.

[Special Star-Bulletin Correspondence]
SCHOFIELD BARRACKS, May 29.
—Battery F succumbed to Battery B on the ball diamond Saturday afternoon in one of the closest contests of the series. The Goats have been improving in their play by long strides. It was in the pinches that more spectacular than that of Battery B. It was in the pinches that the superiority of the B's showed clearly, for instance, in three different innings the F's led off with a triple, but in only one case did Monroe's team permit the runner on third to score.

Baurtnut, Frane and Slaughter got in some heavy stick work against Suba and drove him from the box at the end of the sixth. Cumberland, who replaced him, held the F's at his mercy for the last three innings. Carrio, who was in the box for F Battery, pitched a much better game than usual and held his opponents scoreless except in two innings. In the first the B Battery swatters found him for two singles and a triple, which were sufficient to score two runs.

It was in the third, however, that the game was lost. An error by the first baseman, followed by two muffed flies in right field, killed all chances to win.

Frane and Baurtnut were the stars on the 2nd Battalion team, both at the bat and in the field. Frane was especially in the limelight. He connected for two triples, stole two bases and performed a few clever stunts at third. The B Battery players, however, drew the bouquets for concerted team work and steady playing.

The score:
Battery F . . . 0 0 1 0 1 2 0 0 0 4
Battery B . . . 2 0 3 0 0 0 0 0 0 5
Battery F, hits 7, errors 5; Battery B, hits 7, errors 3.
Batteries—Carrio and Selfridge for Battery F; Suba, Cumberland and Monroe for Battery B. Struck out, by Carrio 0, by Suba 5, by Cumberland 1; three-base hits, Archer, Baurtnut, Frane 2; double play, Carrio to Baurtnut to Butler; umpire—Hollingsworth.

Battery C 11, Battery A 5.
Miller's huskies took another half hitch on the field artillery championship when they defeated the fast A Battery aggregation yesterday afternoon by a score of 11 to 5.

C Battery took an early start and scored 11 runs in the first two innings. They took a fancy to everything that Burnett could throw over the plate. It was unfortunate that Burnett was left in so long, nearly two innings, for which Wright took his place the C Battery changed its tactics and failed miserably to hit the ball. In fact it made but one hit off Wright in the last seven innings.

Moore's wildness was responsible for four runs scored by the A's in the fourth and in the ninth he passed four batters in succession that let in another run. At any rate he allowed but one clean hit during the entire game.

The score by innings:
Battery C . . . 3 8 0 0 0 0 0 0 11
Battery A . . . 0 0 0 0 0 0 0 0 1 5
Battery B, hits 7, errors 2; Battery A, hits 1, errors 5.
Batteries—Burnett, Wright and Wilkinson for A; Moore and Montgomery for C. Struck out, by Moore 10, by Burnett 0, by Wright 0; bases on balls, off Moore 7, off Burnett 0, off Wright 0; three-base hit, Miller; umpire, Hollingsworth.

FIGHT TO CONTROL TUBERCULOSIS IS GAINING STEADILY

Death Rate is Cut Twenty Per
Cent in Larger Cities.
Says Expert

WASHINGTON, D. C.—The fight against tuberculosis is gradually being won, Dr. Charles J. Hatfield, executive secretary of the National Association for the Study and Prevention of Tuberculosis, told the delegates to the twelfth annual meeting of the association at the opening meeting here recently.

The tuberculosis death rate in the larger cities of the country shows an average decline for the last ten years of 20 per cent, and in some cities of more than 30 per cent. The agencies in the anti-tuberculosis fight now number 3500.

Plan Intensive Test.
It is planned to select a town or city of about 5000 inhabitants, probably in New York or Massachusetts, and to apply there all of the knowledge on the treatment and prevention of tuberculosis available.

If the national association can demonstrate that tuberculosis can be controlled in one community, it will start a campaign to apply this knowledge to every city and town in the United States.

Dr. Baldwin emphasized the most significant developments in the anti-tuberculosis field during the past year.

"In our educational campaigns," he said, "we are applying more intensive methods of group education in schools, churches, lodges, labor unions and even among physicians and nurses."

Millions Spent in Fight.
In 1905 hardly more than \$5,000,000 was spent in tuberculosis work, mostly for treatment. In 1915 more than \$22,500,000 was expended. From 1905 the percentage of public funds expended in tuberculosis has increased from 25 to 65 per cent, indicating that the communities are more and more realizing their responsibility in the control of tuberculosis.

Memorial Day is one of the four holidays in the year when the Bishop museum is closed.
